

## "EVERYWHERE I GO" SONG 1

The corners of a city street  
A table at a café seat  
I got it, I don't miss a beat oh no  
Walking down the avenue  
Be it gray or be it blue  
I've got you everywhere I go  
Feels so good to know...

You're everywhere  
Got you... Everywhere  
Everywhere I roam  
Everywhere Got you... Everywhere  
Everywhere I go

Tell me how the day unfolds  
Traffic fast or traffic slow  
It's good to know you're never far away  
Hot or cold rain or shine  
I've got you with me all the time  
The feeling is so fine I gotta say  
You're just a touch away...

You're everywhere  
Got you... Everywhere  
Everywhere I roam  
Everywhere  
Got you... Everywhere  
Everywhere I go....

Everywhere I go

## "EVERYWHERE I GO" SONG 2

This is where I'm from  
This is where I grew up  
This place means so much  
These are the things I love  
These are the city streets  
The corners where the crossroads meet  
It's my town and this is where I'm from

And there's no doubt about it  
This is where I'm meant to be, got the  
World in my pocket and as  
Long as you are here with me

### **[Chorus]**

You're Everywhere, Got You  
Everywhere, Got You  
Everywhere I Go  
You're Everywhere, Got You  
Everywhere  
You're Everywhere I ... Go  
Whooaa ... Go  
Whooaa ... Go  
Whooa-o-oo-oo-oh

This is my everything  
This is what life means  
It feels so good to me  
To know that I am living here  
Twenty-Four, day and night  
This place is so alive  
Can't help but feel the pride  
That this is where I'm from

And there's no doubt about it  
This is where I'm meant to be, got the  
World in my pocket and as  
Long as you are here with me

### **[Chorus]**

You're Everywhere, Got You  
Everywhere, Got You  
Everywhere I Go  
You're Everywhere, Got You  
Everywhere  
You're Everywhere I ... Go  
Whooaa ... Go  
Whooaa ... Go  
Whooa-o-oo-oo-oh  
Everywhere I Go
