"High School Football is Everything" Generic Version - Lyric Sheet

Yeah we getting all fired up
Getting ready for the players when they line up
Think it's time we go and get those lights up
And let the high school lights ignite us
Cause we fighters

Comin' with a Hut Hut – like this
Comin' with a Pick 6 – like that
Gonna be a showdown - so big
I think it's time for Football Night to Impact!

High School Football is Everything! (Hey! Ho! Let's Go!)
High School Football is Everything! (Hey! Ho! Let's Go!)
For the win, for the gold, for the crown, the ring! (Hey! Ho! Let's Go!)
High School Football is Everything!

I can feel it comin' on now
Every hit, every pass, every touchdown
Got the stadium feeling an emotion
We give the trophy and the glory to the best ones
Cause we the champions

Comin' with a Hut Hut – like this
Comin' with a 1 Down – like that
Gonna be a showdown so big
I think it's time for Football Night to Impact!!

High School Football is Everything! (Hey! Ho! Let's Go!)
High School Football is Everything! (Hey! Ho! Let's Go!)
For the win, for the gold, for the crown, the ring! (Hey! Ho! Let's Go!)
High School Football is Everything!
